१	<p>Maharashtra Tourism Development Corporation (MTDC) has launched an innovative project to promote tourism based on Intangible Cultural Heritage (ICH) in the Palghar and Nashik districts. These districts have a significant tribal population, whose rich art, crafts, performing traditions, and natural heritage offer immense potential for experiential tourism.</p> <p>To implement this initiative, MTDC has appointed "Contact Base" to design and develop a community-based tourism model. The project focuses on creating community-led cultural tourism destinations, placing local communities at the heart of tourism development. Its objectives include promoting sustainable rural economic growth, enhancing tourism, building local capacities, and preserving cultural heritage. Additionally, the initiative aims to raise awareness among tourism stakeholders and integrate these off-beat cultural destinations into mainstream tourism circuits.</p> <p>As part of the ICH Impact Survey, it is proposed to conduct surveys and interviews in the following villages of the Palghar and Nashik districts.</p> <p>Palghar District Villages</p> <ul style="list-style-type: none"> • Bapugaon • Ganjad • Gholwad • Talasari • Jawhar 			

	<p>Nashik District Villages</p> <ul style="list-style-type: none"> • Wangan • Chinchpada • Dolhare • Pimpalsond • Hatgad <p>Survey Coverage</p> <ul style="list-style-type: none"> • Total 200 survey forms to be collected from artists. • Total 50 survey forms from tourism / Stakeholders. • Total 10 survey forms from consented government department <p>Interviews to be conducted</p> <ul style="list-style-type: none"> • 15 interviews to be conducted with artists. • 5 interviews to be conducted with Tourism sector. • 2 interviews to be conducted with Government officials. <p>Each district above mention coverage to be conducted</p> <p>Accordingly, the survey agency is required to contact and coordinate with the stakeholders in all the above villages to conduct the surveys and interviews as per the targets mentioned. Data collected should be properly documented and submitted for further analysis.</p>
